

while I have
numerous issues with
the overall
pro-consolidation
policy direction the
FCC has taken in
recent years, I
trust that even you
won't let stand the
transparently-partisan
use of our public
broadcast commons by
Sinclair. This type
of propogandistic
usurption of the
public airwaves is
not acceptable for
the one-sided
promotion of any
partisan ideology -
Republican,
Democrat, or
otherwise. Please Do
what is right and
fair by the people
of the United States
of America, and
prevent this type of
overt corporate
control over the
public political
discourse that is so
necessary in a free
and fair election.

Sincerely,

Ryan wolfe
